Vision	DentalReach connects dentists and general public to dentistry to raise oral health consciousness. DentalReach will do it by helping, educating and inspiring them.
Mission	To promote oral health, foster through a comprehensive online initiative and become a hotspot for dentists and public.

EDITORIAL

Dr Nupur Shrirao

She is a consultant Prosthodontist and esthetic dentist. She is currently in the Editorial Committee of 'International Journal Of Innovative Research In Dental Sciences (IJIRDS)' and the Reviewer Board of 'Journal of International Oral Health (JIOH)' and 'IP Annals of Prosthodontics & Restorative Dentistry (APRD).'

Some of our colleagues or friends in their mid 40's have hit what is popularly termed as 'mid-life crisis'. But well, let us be fair to them – around this time of the year, most of us also hit what I'd call a 'mid-year crisis' – where the excitement of the new has worn off, the thoughts for the future are dwindling and we don't exactly know what is happening in the present.

Monotony has set in, and we are looking out for some quick changes and even quicker doses of motivation. Any guesses who is going to help you cope with that?

Yes, you're on the right page of the right medium!
